

PURLER 5 DAY CAMP MISSION:

We will not only educate and teach your wrestler, but also put them through the necessary *intensive drill sessions* so that they actually ‘learn’ what is covered. While most camps are ‘*clinic-style camps*, where the kids simply ‘*learn a move and try it...learn a move and try it*’, this camp is a ‘*training-camp*’, where we will put the workers to work in a drill-intensive format so that each wrestler develops the necessary muscle memory to become a better wrestler.
