 - Wrestling begins: 9:00am (Last year finished at 5:30pm)
- **Additional information:** .
 - We will be running 8 mats and wrestling out to 5th/6th place matches.
 - Registration will be cut off at 300 wrestlers.
 - We will have all 8 mats set up Friday afternoon for those traveling in the day before. There will NOT be a dual Friday night as in years past, so our facilities will be open for workouts.
 - Each team needs to bring an official weigh in sheet to be turned in with entry fees.
 - If a wrestler is registered for a weight class, he must weigh in at that weight class Saturday morning. There will be no switching it around Saturday morning. This has been an issue in the past. **Please make sure you enter your guys at the correct weight class.**
 - We will have an area set up for food/drink. There is nothing other than water allowed inside the gym and this includes wrestlers, coaches, and spectators. This is a strict policy so please help us by relaying it to your teams.
 - Unattached wrestlers can contact Melissa Price at mlprice1954@gmail.com to register
