Tournament will cap at 400 wrestlers

COVID 19 precautions

1. Masks are mandatory including athletes except for when they are wrestling.
2. We strongly encourage parents to stay home when possible and especially do not bring siblings or others to watch the event. If you are able, please drop your athlete off and pick them up when they are done to help keep attendance down.
3. The schedule may shift forward or back based on numbers in order to keep attendance low. After registration closes or when we cap we will release the final schedule. The schedule will not shift much but could shift a little.
4. Registration will close on Tuesday, October 6th in order to make sure we can finalize the schedule and be prepared for the event
5. Temperature checks for all that enter the building. Please do not attend if you have any type of sickness (fever, sore throat, cough, congestion/runny nose etc.).
