PLACES

COVID GUIDELINES

1. Only 1 spectator allowed per wrestler. The spectator must accompany the wrestler when entering the building. Temp checks will be given to wrestlers, spectators, and coaches.
2. We will have two entrances/two concession stands. All those wrestling in the east gym will stay to the East side of the building/all wrestling in the west gym will stay to the West side of the building limiting any contact between those wrestling in each gym, if possible.
3. No hospitality room for coaches/referees
4. Masks will be required at all times for parents/workers/referees. Wrestlers must wear masks until they take the mat to compete. After all matches, wrestlers will be required to put masks back on before leaving the mat.
5. Coolers will be allowed, please prepare since there will be no kitchen.
6. All awards will be given to coaches following the end of all matches in that session. This will keep everyone except tournament administration out of the bracket room.
7. Mats will be cleaned by staff between sessions to ensure a clean and sanitized wrestling surface!
8. All wrestlers will be required to sit with parent or coach while they are not wrestling.

MAC Wrestling and or Canton/Galva School District 419 or it's affiliates are NOT Responsible for any COVID related illnesses, or any accidents, injuries, and lost or stolen items.
