Midget, Junior, and Middle School division wrestlers must qualify in the top 4 in regions to qualify for State. Region placement will be used to slot wrestlers in the State Tournament. The State Tournament will incorporate separation criteria where region champs will be separated from each other and champs will also be separated from their corresponding runner-up. Region champ positions will be rotated in each weight class so that the same regions do not meet very time. Due to showcasing of the finals, there will not be a true second in the State Tournament.
