## **Admission:**

\$10.00 per person (adults, kids, seniors, etc.) per session. A wrestler who is wrestling that same day will be admitted to the other sessions that day without any additional payment required.

MNUSA Sanctioned clubs have an opportunity to have club coaches at each of the sessions for the State Tournament. The fee is \$60.00 per club per coach for all 12 sessions. The club coach fee is a flat fee of \$60.00 no matter how many sessions your club coach attends and it is not reduced if your club only wishes to utilize a portion of the sessions. If you would like to have club coaches at each session, or for some of the sessions please email Angie Bizal at [abizal@mnusawrestling.org](mailto:abizal@mnusawrestling.org) with your club request. This request can only be made by the person that is listed on your club charter. At that point you will be sent a link for payment. Once payment is made you will be sent a Google form to complete identifying what coach will be at what session. You may have a different coach per session if you want, or the same coach for all sessions. Each coach identified on behalf of a club or any individual coach who

is desiring to be matside will need to satisfy the requirements below in order to be able to coach at State.

### **Matside Coaches:**

In order to sit in the coaches matside chair or to have any engagement with referees, including video challenges, SafeSport and USA Wrestling require all individuals to be properly certified. "Coaches Bands" will be available at the head table at no additional charge for any individual who has all the following: (i) a **2021 USA Wrestling Leadership card with Copper Certification or higher; AND** (ii) **evidence of completion of concussion training** (\*note this concussion training is not part of Copper or Bronze certification and requires a separate training. The Heads Up Concussion Certification is incorporated into the USA Wrestling Membership system. To complete the training go to the USA Wrestling membership site and log-in using your leadership information, from the drop down menu titled "Manage" you will see a link titled "Heads Up Concussion" which will bring you to the test and once completed it will print "concussion" on your leadership card showing proof of completion. Concussion training is valid for 2-years from the date of completion. Any parent without a coaches band will NOT be allowed to sit in the designated coaches chair and are NOT allowed to interact with the table or referees in any manner or request any challenges. **There will be no exceptions to this policy.**

**Individual Awards:** Awards for 1<sup>st</sup> through 6<sup>th</sup> places.

**Rules:** The rules of UWW, with current USA Wrestling modifications where applicable, will govern the event and competition. Junior Division is two 3 minute periods with a 30 second rest between periods. 16U(Cadet) and below is two 2 minute periods with a 30 second rest between periods. The current freestyle/greco rulebook is found at: [https://www.usawmembership.com/usa\\_wrestling\\_rule\\_book](https://www.usawmembership.com/usa_wrestling_rule_book).

**Challenges:** We will utilize a video challenge system for all age divisions. Any coach desiring to challenge a call should stand from their designated coaches chair and raise their hand to signal a challenge promptly after the scoring sequence is scored (generally 5-7 seconds after the scoring sequence is posted on the scoreboard). Only coaches with the "Coaches Band" are allowed to submit a challenge. Any challenge which is which is not scored in favor of the challenging wrestler shall be considered a lost challenge which will result in one point being added to the score of the opposing wrestler and no further challenges can be made on behalf of this wrestler for the remainder of this match (a coach would be able to challenge on behalf of this wrestler again in subsequent matches). For full details on the challenge system please see the current freestyle/greco rulebook at: [https://www.usawmembership.com/usa\\_wrestling\\_rule\\_book](https://www.usawmembership.com/usa_wrestling_rule_book).

### **Uniforms:**

Competition red and blue singlets or red/blue reversible singlet with underbriefs required. Singlets should be predominantly one (red or blue) color. Two-piece uniforms are also allowed (see below for guidelines on them). The use of headgear is **required** for Kids Divisions (14U and below) and

encouraged for Cadets and Juniors. It is recommended that athletes with braces wear mouth guards.

**Note:** All athletes must weigh-in wearing a competition singlet. Any wrestler wearing a modified singlet will not be allowed to enter the weigh-in area.

**Guidelines for the two-piece uniforms are as follows:** wrestlers can wear compression or board shorts with a substantial elastic waistband and a tight fitting sleeveless, or short sleeve shirt, provided the two piece uniform has a complete set with one set being predominantly red and the other predominantly blue. The shorts shall not be excessively baggy, have pockets, buttons, draw strings or snaps. A suitable compression undergarment must be worn under the shorts. If the athlete chooses to wear a two-piece uniform and enters the weigh-in area, the athlete must weigh-in with the complete two-piece uniform. There is no weight allowance for the singlet or uniform. Athletes, please be aware that the two-piece uniform is currently not legal at USAW regional and national Freestyle and Greco competitions.

#### **Pairings:**

- All brackets for all divisions will be randomly drawn.

**Weight Classes:** The 6U (Pee-Wee), 8U (Bantam), 10U (Intermediate), 12U (Novice), 14U (Schoolboy), 16U (Cadets), Junior Division and Girls Division age groups will use the following weight classes for both Greco and Freestyle:

Wrestlers may only register for one weight class above what their weight at the weigh-in on the day of competition qualifies them for. For example if a wrestler wants to register for 12U 82 pounds, the wrestler must weigh-in at a minimum weight of 74.1 pounds in order to be eligible for the 82 pound weight class, as 74.1 pounds would put the wrestler in the 78 pound weight class and then the wrestler could choose to bump to 82. Reminder this must be accounted for at registration, nobody is allowed to adjust weight-class after 8:00pm on April 28, 2021.

## Weigh-Ins:

All athletes must weigh-in wearing a competition singlet. Athletes need to be present at weigh-ins during their designated time as noted on the schedule at the end of this document. **Any girls wrestling additionally in a boys division must weigh-in again during that division weigh-in time, the girls weigh-in only counts for the Girls Division session and will not be used for a subsequent session.** An athlete that weighs-in and competes in the Greco session will have the weigh-in from the Greco session count for their corresponding Freestyle Session without having to weigh-in a second time. Any individual who does not compete in Greco will be required to weigh-in during the set weigh-in time for the Freestyle sessions. Athletes and their spectator will be admitted into the weigh-in staging area in limited numbers at a given time so plan accordingly (this may involve having to wait in the car or outside in a line). The athlete and accompanying spectator will be able to enter the weigh-in staging area where a changing area and check scale will be located. Only wrestlers and event staff will be allowed in the weigh-in area, parents are to remain in the weigh-in staging area however, they will be able to visually see their wrestlers in the weigh-in area. No Coaches or parents will be allowed in the medical check or weigh-in area. Athletes should confirm their weight on the check scale prior to entering the weigh-in area, once a wrestler enters the weigh-in area they will have a medical examination completed and proceed to have their weight taken and will not be allowed to leave and attempt to make weight at a later time.

**The contestants will be weighed wearing their competition singlet or two piece uniform**, (with under-briefs, and female athletes must wear age appropriate undergarment tops) after having been examined by qualified physicians who are obliged to eliminate any wrestler who presents any danger of contagious disease. ***For USAW competitions, the singlet worn to weigh-in must be an approved competition singlet/uniform without modification.*** Contestants who choose to weigh-in in a two-piece uniform must weigh-in wearing shorts designed for wrestling, a suitable undergarment, and a tight fitting short sleeved shirt. Contestants may weigh-in wearing a legal singlet and then choose to wrestle in a legal two-piece uniform.

**No weight tolerance will be allowed for the singlet or two-piece uniform** (for example a wrestler competing at 10U 77 lbs. must weigh-in at 77.0 or less). Contestants must be in perfect physical condition, with their fingernails cut very short. When presented at the scale the wrestler has the right (after two (2) attempts at the first scale) each in turn, to attempt to weigh in on all the official weigh-in scales. These attempts may be made one time only at each scale. No weight reduction methods of any

kind can be made between attempts to make weight or in the weigh-in area, and once a wrestler enters the weigh-in area they are not allowed to leave and attempt to make weight at a later time.

**At all MN/USA Wrestling State Tournaments athletes must weigh at or below the listed weight class. NO ALLOWANCES are given. If a wrestler is over the weight for which they registered, they will NOT be allowed to change weight classes and will subsequently be removed from the tournament. MNUSAW strongly discourages weight cutting. Young wrestlers should be allowed to wrestle at their natural weight.**

**Medical:** Please see the MN/USA Wrestling skin condition form (can be found on our website: [www.mnusawrestling.org](http://www.mnusawrestling.org)). Please note that a skin form signed by a physician can be overruled by the on-site tournament medical staff at the tournament based on disease activity.
