Live Competition Practices

Starting June 6th, 2021 @ The Beast Cage
3039 State Hwy 73, Wisconsin Rapids, WI 54495

The Beast Cage in Wisconsin Rapids will be starting a Central Wisconsin Summer Training Series starting on Sunday June 6th. This training opportunity is open to any wrestler from any community and will consist of 12 practices over the course of summer. Practices will consist of a short drilling session and live wrestling from various positions, with guidance on strategy and technique from those situations. Come take advantage of the opportunity to wrestle live with some of the best wrestlers in the state. Series start times may change based on attendance. The first few weeks are set as a single session but if numbers are high right away we will switch to two session start times earlier than the 23rd of June. Also if numbers are low we may stay at the one session start time throughout the summer. Watch the World Gold Wrestling or The Beast Cage Facebook pages for information, or ask to be put on our email list to stay tuned to everything going on at the Beast Cage.

Cost: \$10 per session or \$90 for all 12 sessions
