Why a Rookie state tournament? It is our goal that in hosting a rookie state wrestling tournament we may be able to encourage more wrestlers to become excited and involved with our sport. By exposing wrestlers of similar experience, we feel that they will not feel as overwhelmed and overmatched as they often do when they first get started in this great sport. By providing a level playing field from the start it not only provides a safe arena for competition but also allows the wrestlers to gain confidence in their skills

-Divisions based on age as of December 31, 2021.

-We reserve the right to combine weight classes if there are less than 3 wrestlers in a weight class.

-\$25 Challenge Fee, must show proof of Age & Rookie Verification form IF challenged by an opposing coach.

-Must have 3 years or less experience.

-Previous Rookie or NCWAY State Champions with 3 years' experience do not qualify for this event.
