WISCONSIN WRESTLING CHALLENGE SERIES – FINAL CHAMPIONSHIPS
SATURDAY, JANUARY 21, 2023

TO: Schools/Wrestlers participating in the WWCS Finals at Wausau West H.S.
FROM: Jason Foster Athletic/Activity Director Wausau West High School
Dallas Moe – Tournament Director – email- dmoe@wausauschools.org

PARTICIPATING WRESTLERS:

Top 3 Place finishers at each weight class from the 8 Region sites (Jan 7) will advance to the WWCS Final at Wausau West High School on January 21st 2023.

Please notify Dallas Moe (Tournament Director) by Tuesday, January 10th following the Region meet if your wrestler(s) is not able to compete at WWCS Final. Reasons for not participating vary, and we understand that not all qualifiers will be able to participate, however, we do expect that any and all teams that have qualifiers, do everything they can to attend the finals for the integrity of the event. Teams that do not do their due diligence to send qualifiers may not be invited to return to the qualifying event in the future. We would encourage teams in the same geographical areas with qualifiers to reach out and possibly ride share.

We will attempt to fill all 24 spots on the Finals bracket. In the event, a weight class at any Region does not have 3 wrestlers, or a qualifier is not able to compete, there will be a random draw by Region to fill all Finals 24-man brackets. This process allows all Regions to have equal opportunity, and many 4th -6th place finishers will compete because of these openings. Those schools will be notified by email. The deadline for any scratches or additions is Thursday, January 20th by 6 PM.
