In order to coach at any/all WWF State Folkstyle Qualifiers, one must be a current Wrestling Leader member of USA Wrestling. This membership can be obtained through USA Wrestling's membership system at www.usawmembership.com, where one will be able to access the mandatory background screening and SafeSport training. This is the same membership that is required to coach at the WWF State Folkstyle Tournament and also the Dominate in the Dells, both USA Wrestling sanctioned events hosted by the WWF in March 2023. With this membership in USA Wrestling, one will be able to access National Coaches Education Program certification and be able to coach at chartered club practices as well. By purchasing the membership in advance of the qualifiers, anyone needing to complete the Copper (or higher) certification will have the entire week of the WWF State Folkstyle Tournament.
