NATIONAL TEAM QUALIFICATION

All wrestlers in all divisions qualify automatically for the Western Regional Championships in Farmington, Utah in May. Wrestlers can wrestle any weight class they would like at West Regionals. They can wrestle lower or higher than what they wrestled at State.

This tournament is also the official qualifying event for the USA Wrestling 16U & Junior Individual National Championships in Fargo in July. Wrestlers must qualify at the weight at which they intend to compete at the 16U & Junior National Championships in Fargo. Junior division champions win the right to represent Team Idaho at the Turf War Duals. Only the top 3 placers in the 16U and Junior divisions gain automatic qualifying spots for Fargo (there are other ways to qualify for Fargo so even if you don't place in the top 3 you will most likely be able to attend Fargo if you want to). In the event that any of the top three placers for Fargo do not have their National Team deposit paid online by the national team deposit deadline, any open

spots on the national team will be open to the next highest placer in the weight class and available to next in line after

This tournament is the qualifier for the Junior, 16U & 14U National Duals Championships. Top placers (both styles considered) will earn the spot for the National Dual Championships. Additional wrestlers will be added as needed to be determined by the coaches & director of wrestling operations. The final lineup per dual meet is up to the coaches and director of wrestling operations.- if you are one of the top wrestlers in Idaho - we want you to make plans to be part of the national dual teams which includes attending FS/GR state at your best weight and put together your top performance. Also- worth mentioning that national duals is a way for Idaho to have best performance at Fargo- please don't pursue a spot on a national dual team if you don't intend making the commitment for fargo.

Idaho will be taking the following teams to the Turf Wars in Farmington, UT in June for the following divisions: 12U, 14U, High School & Girls 14U & Girls High School Divisions. Team placement and invites will be determined by results at freestyle & greco state for teams / divisions - if your wrestler is not the top qualifier it's still a good idea to ask how they can still wrestle on one of our National Teams- we have have opportunities for many wrestlers to get mat time throughout the summer
