Registration

We will be using the USA Wrestling membership system for event registration this season. The event website link on TrackWrestling will redirect you to the membership system to register. Only teams with a current USA Wrestling team charter will be listed within the event preregistration.

Weigh-Ins

Weigh Ins are now considered done by an Honor System. During Pre-Reg, there will be an "Actual Weight" field that will be required for all registered participants. To keep everyone honest, we will be pulling 3-4 brackets at random prior to each session. Everyone in that bracket will weigh in by 30 minutes prior to the start of their session. Anyone who does not make weight will be scratched, or they can pay to register again in the correct bracket. Anyone who does not weigh in prior to the tournament start will be left in the bracket but will not be able to wrestle until weighed in. If the wrestler does not make weight, there will be no opportunity to re-bracket and the wrestler will be scratched. Weight Allowance 1lb under 100, 2lbs over 100.
