

DISTRICT 5-6A BOYS AND GIRLS DISTRICT TOURNAMENT

Date: SATURDAY, APRIL 10TH, 2021

Ticket Information: Ticket Information will be sent prior to the tournament. I will forward the information from our athletic office as soon as I receive it.

Location: Rockwall-Heath High School Gymnasium

Weigh-Ins: 900AM - Varsity Boys and Girls will weigh-in together in the Side Tartan Gym following NFHS/UII weigh-in procedures. Boys and Girls must be wearing a competition singlet with the straps pulled up. We will have one scale for all weigh-ins and one scale for a check scale for participants not making weight on the main scale. Please bring your scale and we will compare scales to determine the check scale. As long as scale is within .1 or .2 we will use it for our check scale. Please see weigh-in procedures from NFHS rules for further clarity.

Wrestling Begins: 10:00AM. We will run first round of boys on two mats. After the first round, we will be wrestling boys on one mat and girls on the other mat until we reach the finals and consolation finals. We will wrestle all Consolation Finals matches for boys and girls at the same time. We will then run all Finals matches for boys and girls at the same time. We will be placing out to 4th in all weight classes. We will not be placing out to 5th and 6th this year due to only 3 qualifiers. The 4th place finisher will be the alternate for each weight class.

Seeding Meeting: The seeding meeting for the Boys and Girls Varsity tournament will be held at 9AM Monday, April 5th before JV weigh-ins at 10AM, at Rockwall High School, 901 Yellowjacket Lane, Rockwall, TX 75087.

Varsity Eligibility Forms Due Monday, April 5th: You can bring the forms with you to the seeding meeting, or email them to russ.reeves@rockwallisd.org and shane.seleznoff@rockwallisd.org if that is easier.

Seeding Criteria: If you do not have current win/loss and opponent information for each of your wrestlers during arguments for seeds, your wrestler will not be considered for the higher seed. With very few teams using Track for duals this year, it is VITAL that you have this information in hand at the seeding meeting.
