

SAND DEVIL CLASSIC

WRESTLING TOURNAMENT

GIRLS AND BOYS

Teams from Arizona, Utah, New Mexico, Colorado and Nevada - Last year we hosted 29 teams

This year in conjunction with our boys tournament we are offering the 2nd annual Girls Sand Devil Classic to be run in our pool gym.

We spare no expense on awards. Our medals are of the highest quality. We frame the custom printed foam board champion's bracket. The consolation champion is awarded the running bracket that we use throughout the tourney.

We have the Quinn Keith award that is given to the best come back wrestler (someone who loses their first match and battles back to medal). The Cujo award is given to the most outstanding light weight wrestler and is a custom made piece of exquisite pottery and a custom travel bag. We also have a fastest pin medal and a most valuable wrestler award. Our team awards are handmade, custom Navajo Sand Paintings.

I would put our hospitality room up against any anywhere. You will absolutely leave here heavier than when you came.

The tournament is well run and efficient. Our goal is to get you on the road by no later than 5pm on Sat. This year we will be going to trackwrestling.

By coming to this tournament you will be supporting a remote, small town wrestling program that struggles with fundraising.
