**\*\*We will take a short break to prepare for finals. Each individual class shall start finals at the same time as their paired regional.**

**We will not clear the gym before finals. The tournament will run in one session.**

Championship Finals, Consolation Finals, and 5<sup>th</sup> place matches will wrestle simultaneously on three mats.

**\*\*Awards should be presented in an area where they do not disrupt the start of the next matches, or at the end. The finals schedule and flow of matches should not be disrupted for awards or any reason. \*\***

3. Seeding criteria will be as follows:
  - a. Head-to-Head Competition. If two wrestlers have split wins (one-one, two-two, etc.) during the season, the wrestler who won the last match will be given the seed.
  - b. Record against common opponents.
  - c. Returning state champion from the previous year.
  - d. Returning state placer from the previous year.
  - e. Returning regional champion or runner-up at the same weight from the previous year.
  - f. Returning top five regional placer at any weight from the previous year.
  - g. Coaches vote.
4. Two regional tournaments will be held in each class, with the top five finishers in each weight classification qualifying for the state tournament.
5. In the regional tournament a consolation match for fifth and sixth place will be wrestled.
6. Team points for 5th and 6th place will be given but no individual medals will be awarded.
7. Sixth place winners will qualify for the state tournament if one of the top five (1-5) regional place-winners cannot participate because of an injury, illness, academic ineligibility, flagrant misconduct disqualification, etc. It is the coaches/school's responsibility to immediately notify the Activities Association if one of their wrestlers cannot compete in the state tournament due to injury, illness, academic ineligibility, flagrant misconduct disqualification, etc. The OSSAA will then notify the coach or school of the sixth-place regional winner in that weight class and that wrestler will compete in the state tournament. Coaches who fail to notify the Activities Association immediately after learning one of their wrestlers cannot compete in the state tournament will be assessed a penalty by the OSSAA Board of Directors and possibly forfeit their right to coach in the state tournament. (**Note:** A sixth place regional winner will not replace one of the top five (1-5) regional place-winners who fails to make weight at the first weigh-in of the state wrestling tournament.)
8. On the state tournament bracket at a non-option weight, if one of the regional placers (1-5) cannot participate due to academic ineligibility, injury, illness, flagrant misconduct disqualification, etc., each contestant will move up one place (**unless the coach chooses not to**) from that regional and insert the sixth-place qualifier in the fifth place or open slot.
9. On the state tournament bracket at a option weight, if one of the regional placers (1-5) cannot participate due to academic ineligibility, injury, illness, flagrant misconduct disqualification, etc., each contestant will move up one place (**unless the coach chooses not to**) from that regional and insert the sixth place qualifier in the third place or open slot. The fourth-place option qualifier would stay on the bracket where he chose. If the fourth-place option qualifier is the contestant that needs to be replaced, the wrestler who originally placed fourth from that regional would move back from the third place slot to the fourth place slot. Each contestant would then move up one place (unless the coach chooses not to) from that regional and insert the sixth-place qualifier in the fourth place or open slot.
10. Regional tournament brackets: When the number of competitors is not a power of 2, that is 4, 8, and 16, there shall be byes in the first round. The number of byes shall be equal to the difference between the number of competitors and the next higher power of 2 (**Exception: When the number of competitors is more than sixteen, a sixteen-man bracket shall be used with pigtail bracketing**). There shall be no byes after the first round of competition in the championship or consolation bracket, and no further drawing is necessary for championship or consolation rounds. When byes are required for the first round, they shall be placed by mutual consent or drawn so they are distributed evenly throughout the bracket. No quarter-bracket or half-bracket shall have more than one bye in excess of its paired bracket. After seeded wrestlers have been placed on the bracket and the byes drawn, remaining wrestlers shall be placed by draw. **Note:** In a sixteen-man bracket where pigtail bracketing is required, wrestlers in all pigtail matches including consolation pigtail matches will not receive advancement points but will receive bonus points.
11. On the first day of the regional and state tournaments, girls must make the following weights: 102,107, 112, 117, 122, 127, 132, 137, 142, 147, 157, 172, 192, 237 and boys must make the following weights: 108,115, 122, 128, 134, 140, 146, 152, 159, 167, 177, 192, 217, and 287.

12. **All matches at the Regional and State Tournaments will consist of three periods. Each period will be two minutes in length.**
13. **Information concerning the regional seeding meeting and conducting the first weigh-in is enclosed in this mailout.**
14. Enclosed is a sample option form for the third-place finisher at the regional tournaments. Option forms will be located at the scorer's table. The third-place finisher, is choosing to wrestle the number **five** **qualifier in the wrestle in match. The winner of the wrestle in match would then be placed into the bracket versus the number one qualifier, instead of the number two qualifier in the state tournament. The loser of the wrestle in match is eliminated from further competition.**
15. During the regional tournament, the on-site tournament physician (if a site has contracted with one) will have the final authority in determining an individual's participation. (Exception: A current (within seven days of the event) OSSAA skin disease form complying with National Federation Rule 4-2-3 will take precedent over the evaluation of an onsite physician.)

**NOTE:** Do not forget the application for academic achievement award is due at the Activities Association, February 18, 2025. The application is located on the website at [www.ossaa.com](http://www.ossaa.com) under the wrestling tab. The certified minimum weight list form for wrestlers in both high school and junior high is due January 29, 2025.
