Here is the basic information that you will need for a successful wrestling tournament at the Battle at the Bridge Invitational brought to you by Hockinson High School.

The format will be a 32 man bracketed tournament for Varsity boys and JV competition. Girls will be a 16-man bracketed tournament (Any girls bracket that is a 32 man bracket will wrestle on Friday). The 32-man brackets will be with crossovers to determine the true 3<sup>rd</sup>/4<sup>th</sup> & 5<sup>th</sup>/6<sup>th</sup> place finishers. Each team will be allotted 2 varsity wrestler per weight class at all divisions. Wrestling will begin Friday at 3pm and Saturday at 10am.

Seeding will be done through trackwrestling. Seeding criteria will be added and correct information must be inputted if you want a wrestler seeded in this tournament. Once the brackets are closed, no seeding changes will be made (Expectations: Wrestler removed from bracket, other wrestlers will move up.)
